## Christmas Party Menu 2019

## **It's time to book your 2019 Christmas Party here at the Pen Mill before it's too late.**

We are moving into our seventeenth year here at the hotel.

With each year that passes, we gain a little more experience and a little more know how.

We don't think things are *far off perfect*.

Let us prove to you, what we can do.

Part of our success over these years is due to our high levels of customer service. "*Second to no one*" we say and we're backed up by our ever-growing Trip Advisor and Google reviews.

Add to this an increasing list of local independent suppliers.

Small companies, just like us that, have to provide the best.

We show a great deal of loyalty to these small businesses and in return they provide top quality produce, products and service.

However, none of these things matter unless our team of expert chefs can pull together the ingredients to create dishes that really do tantalise your taste buds.

Whilst we have gained a lot of knowledge, we're not afraid to embrace new ideas, dietary requirements and preferences.

Our Gluten Free options have long been a staple of all our menus and this Christmas Party menu is no exception.

Almost 100% will be available Gluten Free.

Our vegetarian options will also be far greater this year with over 50% of the menu available.

Vegans have not been forgotten this year either.

2019 saw us gain a prestigious Taste of the West Gold Award for our food here at the Pen Mill. True recognition of our team's fantastic hard work.

## **As per the past sixteen years, Friday and Saturday nights are our ever-popular Disco Party Nights.**

**NB. These are OVER 18's ONLY!**

You will be entertained by one of Yeovil's longest established, premier music specialists, Wizard Entertainment. Combined with the disco is the ever-popular karaoke bar within excess of 20,000 songs to choose from. As always, your meal price includes the entertainment. They'll play whatever you want within reason!

But remember this is for Friday and Saturday nights only!

Hopefully you should find everything you need in this brochure to help you plan and organise your perfect Christmas 2019 Party for optimum enjoyment.

With this in mind, one of the main things we need to know are people's menu choices for the night in advance however, more importantly, we need to know peoples dietary requirements. These must be CLEARLY marked on the order form. For Example: Gluten Free, Dairy Free, Nut Allergies etc. etc. Also, if people are Vegetarian or Vegan.

This needs to be marked in such a way that we can easily recognise whose preference is what.

We also need to know at time of booking if there is any one within your party who must use a wheelchair or has limited mobility; you may need special consideration as to where we sit your party.

**Jon and Sarah thank you for considering their restaurant to hold one of your biggest events of the year. We hope to see you soon and to see the working year off with a bang.**

\*Our Lunchtime Christmas Menu is Served Between  
11.30am & 2.30pm

\*Our Evening Christmas Menu is Served  
Between 6.00pm & 8.30pm

\*Please Note: Lunchtime Christmas Parties will be politely asked to leave by **5.00pm**. This is in-order for us to prepare for our evening parties and so that our evening guests are not 'greeted' by a wall of lunchtime revellers at the bar!

An enjoyable time can then be had by all.

\*Please ensure ALL guests are aware that their deposit is, **100% Non-Refundable**.

Any **lost** deposits will **not** be deducted from your final bill.

\*Having checked with your friends and colleagues that this menu is suitable and, you have an idea of dates and numbers, either **call in**, or telephone, **01935 423081**, to make your booking.

At this point we must be told of any wheelchair access or limited mobility guests.

You can email, **info@penmillhotel.co.uk** but please bear in mind this can turn into a very long drawn out thread of emails that may take several days to conclude. An old-fashioned telephone call is still the quickest way to communicate.

\*NB. We cannot '**pencil in**' or '**save bookings**,' neither can we '**save spaces**' for non-diners.

\*It is also unlikely that non-diners will be able to join your party after your meal has finished. Space is limited. If they want to play, they'll have to pay!

\*Once the booking is made, we ask you to pay your deposits in order to confirm your party within **14 days**.

\*Deposits can be paid over the telephone by debit/credit card or in person by cash, card or cheque. (NB. Cheques need to be presented at least two weeks before your party date). Bank transfers can also be made. Please reference these bank payments by your party name and party date. A remittance advise email of a bank payment would be gratefully appreciated.

\*If deposits are not received within 14 days your booking may be cancelled.

\*We do recommend collecting all monies from your guests in advance, as guests cancelling 'late' will be charged for on the night and this will mean you and your fellow guests having to pay for them!

\*Approximately two weeks before your party, we will require your guests' food orders

**Most importantly, if any guests have any food allergies OR intolerances, please, please, please ensure this is clearly written on their food order.**

**This is also the case for Vegetarian and Vegan choices. PLEASE DO NOT MAKE ASSUMPTIONS AS A DIFFERENT COOKING PROCESS, INGREDIENT OR SUBSTITUTION MAY HAVE TO BE MADE WHEN FOOD IS BEING PREPARED**
