

We Trust You Are Having A Relaxing Sunday?

So, how does it all work?

Food & Drink is ordered from the bar

Firstly see the 'greeter' at the main front door to make sure there is a vacant table, they should tell you your table number.

Sunday Lunch is served from our carvery at the far end of the restaurant.

To order the carvery, please obtain your carvery token(s) from the bar. You can either pay there and then or, put them on a tab to pay at the end (you may be asked to provide a credit card to be stored behind the bar as security) NB. If you are ordering a mix of carvery and meals from the menu (including the kids menu), please leave it 15 – 20 minutes (longer during busy periods) before going to get your carvery so that you will all be eating at about the same time.
